Senate Bill No. 793

CHAPTER 34

An act to add Article 5 (commencing with Section 104559.5) to Chapter 1 of Part 3 of Division 103 of the Health and Safety Code, relating to tobacco products.

[Approved by Governor August 28, 2020. Filed with Secretary of State August 28, 2020.]

LEGISLATIVE COUNSEL'S DIGEST

SB 793, Hill. Flavored tobacco products.

Existing law, the Stop Tobacco Access to Kids Enforcement (STAKE) Act, prohibits a person from selling or otherwise furnishing tobacco products, as defined, to a person under 21 years of age. Existing law also prohibits the use of tobacco products in county offices of education, on charter school or school district property, or near a playground or youth sports event, as specified.

This bill would prohibit a tobacco retailer, or any of the tobacco retailer's agents or employees, from selling, offering for sale, or possessing with the intent to sell or offer for sale, a flavored tobacco product or a tobacco product flavor enhancer, as those terms are defined, except as specified. The bill would make a violation of this prohibition an infraction punishable by a fine of \$250 for each violation. The bill would state the intent of the Legislature that these provisions do not preempt or prohibit the adoption and implementation of local ordinances that impose greater restrictions on the access to tobacco products than the restrictions imposed by the bill, as specified. The bill would state that its provisions are severable. By creating a new crime, the bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

The people of the State of California do enact as follows:

SECTION 1. Article 5 (commencing with Section 104559.5) is added to Chapter 1 of Part 3 of Division 103 of the Health and Safety Code, to read:

Article 5. Tobacco Sale Prohibition

104559.5. (a) For purposes of this section, the following definitions apply:

(1) "Characterizing flavor" means a distinguishable taste or aroma, or both, other than the taste or aroma of tobacco, imparted by a tobacco product or any byproduct produced by the tobacco product. Characterizing flavors include, but are not limited to, tastes or aromas relating to any fruit, chocolate, vanilla, honey, candy, cocoa, dessert, alcoholic beverage, menthol, mint, wintergreen, herb, or spice. A tobacco product shall not be determined to have a characterizing flavor solely because of the use of additives or flavorings or the provision of ingredient information. Rather, it is the presence of a distinguishable taste or aroma, or both, as described in the first sentence of this definition, that constitutes a characterizing flavor.

(2) "Constituent" means any ingredient, substance, chemical, or compound, other than tobacco, water, or reconstituted tobacco sheet, that is added by the manufacturer to a tobacco product during the processing, manufacture, or packing of the tobacco product.

(3) "Flavored shisha tobacco product" means any shisha tobacco product that contains a constituent that imparts a characterizing flavor.

(4) "Flavored tobacco product" means any tobacco product that contains a constituent that imparts a characterizing flavor.

(5) "Hookah" means a type of waterpipe, used to smoke shisha or other tobacco products, with a long flexible tube for drawing aerosol through water. Components of a hookah may include heads, stems, bowls, and hoses.

(6) "Hookah tobacco retailer" means a tobacco retailer that is engaged in the retail sale of shisha tobacco products, hookah, and hookah smoking accessories.

(7) "Labeling" means written, printed, pictorial, or graphic matter upon a tobacco product or any of its packaging.

(8) "Loose leaf tobacco" consists of cut or shredded pipe tobacco, usually sold in pouches, excluding any tobacco product which, because of its appearance, type, packaging, or labeling, is suitable for use and likely to be offered to, or purchased by, consumers as tobacco for making cigarettes, including roll-your-own cigarettes.

(9) "Packaging" means a pack, box, carton, or container of any kind, or, if no other container, any wrapping, including cellophane, in which a tobacco product is sold or offered for sale to a consumer.

(10) "Premium cigar" means any cigar that is handmade, is not mass produced by use of mechanization, has a wrapper that is made entirely from whole tobacco leaf, and has a wholesale price of no less than twelve dollars (\$12). A premium cigar does not have a filter, tip, or nontobacco mouthpiece and is capped by hand.

(11) "Retail location" means both of the following:

(A) A building from which tobacco products are sold at retail.

(B) A vending machine.

(12) "Sale" or "sold" means a sale as that term is defined in Section 30006 of the Revenue and Taxation Code.

(13) "Shisha tobacco product" means a tobacco product smoked or intended to be smoked in a hookah. "Shisha tobacco product" includes, and may be referred to as, hookah tobacco, waterpipe tobacco, maassel, narghile, and argileh. "Shisha tobacco product" does not include any electronic devices, such as an electronic hookah, electronic cigarette, or electronic tobacco product.

(14) "Tobacco product" means a tobacco product as defined in paragraph (8) of subdivision (a) of Section 104495, as that provision may be amended from time to time.

(15) "Tobacco product flavor enhancer" means a product designed, manufactured, produced, marketed, or sold to produce a characterizing flavor when added to a tobacco product.

(16) "Tobacco retailer" means a person who engages in this state in the sale of tobacco products directly to the public from a retail location. "Tobacco retailer" includes a person who operates vending machines from which tobacco products are sold in this state.

(b) (1) A tobacco retailer, or any of the tobacco retailer's agents or employees, shall not sell, offer for sale, or possess with the intent to sell or offer for sale, a flavored tobacco product or a tobacco product flavor enhancer.

(2) There is a rebuttable presumption that a tobacco product is a flavored tobacco product if a manufacturer or any of the manufacturer's agents or employees, in the course of their agency or employment, has made a statement or claim directed to consumers or to the public that the tobacco product has or produces a characterizing flavor, including, but not limited to, text, color, images, or all, on the product's labeling or packaging that are used to explicitly or implicitly communicate that the tobacco product has a characterizing flavor.

(c) Subdivision (b) does not apply to the sale of flavored shisha tobacco products by a hookah tobacco retailer if all of the following conditions are met:

(1) The hookah tobacco retailer has a valid license to sell tobacco products issued pursuant to Chapter 2 (commencing with Section 22971.7) of Division 8.6 of the Business and Professions Code.

(2) The hookah tobacco retailer does not permit any person under 21 years of age to be present or enter the premises at any time.

(3) The hookah tobacco retailer shall operate in accordance with all relevant state and local laws relating to the sale of tobacco products.

(4) If consumption of tobacco products is allowed on the premises of the hookah tobacco retailer, the hookah tobacco retailer shall operate in accordance with all state and local laws relating to the consumption of tobacco products on the premises of a tobacco retailer, including, but not limited to, Section 6404.5 of the Labor Code.

(d) Subdivision (b) does not apply to sales of premium cigars sold in cigar lounges where products are purchased and consumed only on the premises.

(e) Subdivision (b) does not apply to loose leaf tobacco or premium cigars.

(f) A tobacco retailer, or agent or employee of a tobacco retailer, who violates this section is guilty of an infraction and shall be punished by a fine of two hundred fifty dollars (\$250) for each violation of this section.

(g) This section does not preempt or otherwise prohibit the adoption of a local standard that imposes greater restrictions on the access to tobacco products than the restrictions imposed by this section. To the extent that there is an inconsistency between this section and a local standard that imposes greater restrictions on the access to tobacco products, the greater restriction on the access to tobacco products in the local standard shall prevail.

SEC. 2. The provisions of this act are severable. If any provision of this act or its application is held invalid, that invalidity shall not affect other provisions or applications that can be given effect without the invalid provision or application.

SEC. 3. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs that may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, eliminates a crime or infraction, or changes the penalty for a crime or infraction, within the meaning of Section 17556 of the Government Code, or changes the definition of a crime within the meaning of Section 6 of Article XIII B of the California Constitution.
